

Mr. O'Brien's Responsibility Rubric

You must have the following for each lesson:

homework, MacBook, calculator, textbook, notebook (with grid paper and handouts), pencils & pens (at least one color for correcting work)

I assume you will be responsible in this class, and so you begin each quarter with a grade of 100% (A+) for the Responsibility portion of your grade.

If you come to class each day prepared, you will maintain your 100% average. Each lesson, your responsibility will be graded on the following rubric:

0	1	2
You don't have your homework.	You are missing one or more items, but you have your homework.	You have all items.

Additional notes: To receive your responsibility points for **homework**, something must be written for each problem (i.e. no blanks). If you have no idea how to do the problem, be sure to at least copy the problem down.

To receive your responsibility point for having your **MacBook**, it must be charged and ready for use.

To receive your responsibility point for your **textbook**, you may opt to share with a partner.
